Lineage

Winter Star

White, Full Bolivian
ARI #: 1379204

Winter Star is a simply gorgeous girl whose fiber is super dense with a high frequency crimp and a very soft handle. Her sire is the handsome Sinbad from the AOA Herdsire row. For her first cria she is bred to Formally Attired a true black male out of Black Thunder, for an August 7, 2007 cria. We can't wait to see what they produce!

Formally Attired S841 AOA

True Black, 1/2 Bolivian 1/2 Chilean
ARI #: 845860

Formally Attired is more than we could have asked for. This truly amazing true black herd sire has not only met our expectations but has far exceeded them. Coming from the renowned Black Thunder bloodline we wanted to make sure we chose a male that could step right in after we retired Black Thunder. To date he has produced black and grey 100% of the time when bred to black or grey. In fact his color genes are so strong that so far when bred to white 60% of the time he has produced black or grey! For those of you who are not familiar with Black Thunder, he has sired some of the most elite black and grey alpacas we have ever produced.

Horse Mountain's Mr October

As we felt he would, Mr. October has matured beautifully. He has a sturdy compact physique, wonderful head and is covered with soft crimped fleece and is INCREDIBLY DENSE. He has shown well in very competitive classes always being in the top 4. He placed first in his class at the 2009 ABR Fall Festival, the judge commenting that he is "the complete package".

He has had a very busy spring, summer and fall and is lovin' it! We are expecting 10 crias from him next year!! Make one of his crias one of yours!!
